ABOUT US

The Young Irish Fellowship Club of Chicago is a 501(c)(3) non-profit, volunteer-driven organization that welcomes individuals from diverse ethnic backgrounds to discover and engage with Irish culture. We provide opportunities to forge new friendships within the community while actively contributing to the support of Chicagoland charities.

We operate as a completely volunteer-driven organization with minimal administrative expenses. More than 90% of our funds are channeled directly to the charitable causes we support. Annually, the Irish Fellowship Club fundraises for two charitable partners through a two-year commitment. Our Board of Directors casts their votes each year to select a new charity to support.

While we promote the Irish culture with our events, our club is open to people of every ethnic origin. The YIFC has hosted Forever Green, the largest and best St. Patrick's Day party in Chicago, for over 50 years.

PAT MAC'S PACK

Pat Mac's Pack is a nonprofit established in memory of Patrick McNamara, who battled brain tumors for 11 years and passed away at 13 in 2011. Honoring Patrick's positive spirit, the organization funds pediatric brain tumor research at Lurie Children's Hospital and provides financial assistance to families with children undergoing cancer treatment, including comfort bags for kids receiving radiation therapy.

MERCY HOME FOR BOYS & GIRLS

Mercy Home for Boys & Girls provides a safe, stable, and nurturing home for young people facing abuse, neglect, violence, and housing insecurity. Since 1887, this Chicago-based Catholic children's charity has offered shelter, healing, education, and life skills that help kids rebuild and grow into independent adults.

Mercy Home also connects families to trusted services and mentors who guide youth toward brighter futures.

Annual sponsorship helps carry on a tradition just over of 50 years!

EVENT HIGHLIGHTS

THE YOUNG IRISH IMPACT

Thanks to YIFC, Cara Collective has expanded opportunity, mentorship, and economic mobility for people facing poverty. In the past two years, we placed nearly 2,000 individuals into jobs, cleaned more than 4,300 tons of trash across 40 neighborhoods through Cleanslate, and partnered with over 70 employers to open pathways to work. We are grateful for the lives transformed through this collaboration.

CARA COLLECTIVE

We thank YIFC for raising funds to support Almost Home Kids and children with medical complexities. Their efforts helped families access community-based care, trained caregivers, provided respite services, and advocated for accessibility and inclusion. Through their fundraising, YIFC helped children transition safely from hospital to home and thrive in their communities.

ALMOST HOME KIDS

Forever Green has an incredible energy every year. Hearing from the charity representatives and seeing the impact of the event is a powerful reminder that we are part of something bigger. This is my fifth Forever Green, and I always look forward to returning to support the cause and connect with this amazing community.
