# CHARITABLE RECIPIENTS

## Almost Home Kids

Almost Home Kids provides a bridge from hospital to home through an innovative community-based care system for children with medical complexities. We respond to the needs of families, train caregivers, offer respite care, advocate for accessibility and inclusion and educate healthcare professionals.

Our core value is family in all its forms and manifestations; it drives everything we do. We believe that all children deserve to grow up in a family setting and to be part of a community. Rooted in every effort is our goal to help families remain whole and together. We envision a day when every family, every community and every child with medical complexities has access to transitional care and the unsurpassed standards of AHK.

## Misericordia

The Mission of Misericordia is to provide a continuum of care and support for children and adults of all faiths and cultures who have intellectual and developmental disabilities. We provide the highest quality of care designed to meet each person's changing needs and maximize his/her independence, self-determination, interpersonal relationships,

and engagement in the community. The mission extends beyond the residents as we offer peace of mind to families. Through Catholic values and traditions, we strive to be a diverse and inclusive community of acceptance, respect, dignity, spirituality, and quality of life for us all.

# SPONSORSHIP OPPORTUNITIES

## Forever Green • Friday, March 3rd, 2023 • Theater on the Lake

Forever Green is the largest and longest running St. Patrick's Day Party in Chicago. Started in 1980 by a group of friends, Forever Green has grown into what many consider the kickoff to the St. Patrick's Day season. Forever Green is also the largest fundraiser for the Young Irish Fellowship Club Charities.

We are dedicated to working with our sponsors to create meaningful partnerships that achieve your marketing and brand objectives. We have several platforms to connect our sponsors with our event attendees (average age of 21-35), the target market for many brands. We can customize any sponsorship package to align with your goals and work within your budget.
